SECOND ERRATUM

NPCR, Inc. d/b/a Nextel Partners (“Nextel Partners”), by its undersigned counsel and pursuant to Section 214(e)(6) of the Communications Act of 1934, as amended (the “Act”), hereby submits this “Second Erratum” to its Petition for Designation (“Petition”) as an eligible telecommunications carrier (“ETC”) in the State of Tennessee, filed on June 12, 2003.

This Second Erratum corrects an inadvertent error that caused Nextel Partners to omit one sentence and a footnote from the end of Section VI on page 9 of its Tennessee Petition. To correct this inadvertent omission, the following sentence and new footnote 16 are added after the last sentence of Section VI on page 9 of Nextel Partners’ Petition:

Nextel Partners respectfully requests that the Commission issue a finding that Nextel Partners has met the high-cost, interstate access and interstate common line support certification requirement and that Nextel Partners is, therefore, entitled to begin receiving such support, where available, as of the date it receives a grant of ETC status in order that funding will not be delayed.¹⁶

¹⁶See *Guam and Cellular Paging, Inc. Petition for Waiver of FCC Rule Section 54.314*, filed February 6, 2002.

All other portions of Nextel Partners' Petition remain as currently filed.

Respectfully submitted,

NCPR, INC. d/b/a NEXTEL PARTNERS
